

Don't sweat the small stuff!

Small Stuff Mission

The Small Stuff Mission is to assist senior citizens, handicapped, widows, single women and others that need small jobs performed at their home. The Small Stuff Mission will perform the needed task at no charge except for the cost of the materials or products purchased to complete the task. As a non-profit organization Small Stuff Mission will accept donations.

Its mission is to make these small services available and affordable to those that cannot do them. If they cannot afford the service, the work will be done gratis.

Listed below is a description of many of the common tasks that will be performed by the Small Stuff Mission team. The mission team will not perform tasks that require a licensed professional, or tackle tasks that will take more than an hour or two to complete. All work is done on a referral basis. We work through churches, Shepherd Center, Senior Living Centers and those who have used our services and shared the information with others.
